Welcome Comment Good morning Year 5! I hope that you have had a restful weekend and managed to enjoy some sunshine.

To get us moving this morning, I've chosen this Go Noodle activity!

<https://family.gonoodle.com/activities/chicken-dance>

Have fun and enjoy! Have a great day, Miss McGowan ☺

English Task

Today I would like for you to start by reading chapters 13 and 14. In these chapters we finally meet the warden. Up until this point, we have only heard about the warden. Your task is to use the text to draw a picture of the warden from the description. I would then like you to answer the following questions:

1.) Was the warden what you expected? Was there anything that surprised you about the warden? Explain your thinking.

2.) What are your first impressions of the Warden and why?

Think about:

Her appearance, the way she treats Mr Pendanski, the way she treats the boys, what she asks the boys to do.

Try to use evidence from the text to back up your ideas.

Maths Task

This week Year 5, our focus is mental maths. Each day you will have a series of mental maths questions. The resources will be sent to you with your daily email or will be available on the school website in the Year 5 area. The questions are a range of levels and some will be trickier than others – this means it is a challenge! If you don't find all the questions easy – that's ok! Just have a go and do what you can. The answers are also included so your grown up can see how you've got on afterwards. Remember, you don't have to get 'full marks', you just have to have a go and try your best!

Remember to keep up your work on Times Tables Rockstars too. Go for it! ☺

Foundation Subject Task Mrs Oakley has set a family sports challenge for you

today. The challenge is for your family to take part in as many sports activities on the bingo sheet as possible. Visit the whole school resources page and click on 'Staying Active, Fresh Air and Sunlight'. Look out for the three 60 second challenges; **Tennis**- How many times can you tap up a tennis ball on a racket? If the ball touches the floor, time continues but your score freezes until you start tapping again! (Use socks and a frying pan/ or tray if you don't have a tennis racket!) **Speed Bounce**- How many times can you jump over a pillow and back? **Skipping**- How many can you do in 1 minute? (If you don't have a skipping rope try a dressing gown rope or just jump on the spot!)

You can do these challenges as many times as you want. Try and beat your own score or try and beat a family member.

Don't forget to tell us about your achievements with pictures. We would love to know how many times you hit the ball, jumped and skipped in 60 seconds! We can't wait to see it! ☺

Any Further Guidance

Don't forget to email me to show me what you are getting up to or simply to say hello. I didn't hear from as many of you last week and I understand how busy you all are, but please just drop me a quick message to let me know how you're getting on, I really do love to hear from you all and like to know that you're all ok! Take care and have a great week! Miss McGowan ☺
