Welcome Comment

Good morning Year Six and welcome to a new week. I hope you had a good weekend and managed to get out of the house for a bit. (Safely of course). Please, please keep emailing your answers into the year 6 email, it's great to hear how you are getting on.

I have some more fun activities for you to complete today, and a new P.E challenge from Mrs Oakley to have a go at.

English Task

Today I want you to think back to the island you created a week or so ago. Remind yourself of what you had put on your island and what it looked like. I now want you to create a flag for your island and a national anthem. A national anthem is a song that represents your country. "God Save Our Queen" is the name of ours. I have attached a sheet to help you do this.

For help and ideas with national anthems you could visit

<https://www.youtube.com/watch?v=dIn6mDyKGP0>

Maths Task

One of the many problems with the current lockdown is that there are not many planes in the sky.

This leads to inaccurate weather

forecasts. Can you help this Scientist?

A scientist measured the temperature each day for one week at 06:00.

- On Sunday the temperature was 1.6°C.
- On Monday the temperature had fallen by 3°C.
- On Tuesday the temperature had fallen by 2.1°C.
- On Wednesday the temperature had risen by 1.6°C.
- On Thursday the temperature had risen by 4.2°C.
- On Friday the temperature had fallen by 0.9°C.
- On Saturday the temperature had risen by 0.2°C.
- What was the temperature on Saturday?

Foundation Task

Mrs Oakley has set a family sports challenge for you today. The challenge is for your family to take part in as many sports activities on the bingo sheet as possible. Visit the whole school resources page and click on 'Staying Active, Fresh Air and Sunlight'. Look out for the three 60 second challenges; **Tennis**- How many times can you tap up a tennis ball on a racket? If the ball touches the floor, time continues but your score freezes until you start tapping again! (Use socks and a frying pan/ or tray if you don't have a tennis racket!) **Speed Bounce**- How many times can you jump over a pillow and back? **Skipping**- How many can you do in 1 minute? (If you don't have a skipping rope try a dressing gown rope or just jump on the spot!)

You can do these challenges as many times as you want. Try and beat your own score or try and beat a family member.

Don't forget to tell us about your achievements with pictures. We would love to know how many times you hit the ball, jumped and skipped in 60 seconds! We can't wait to see it! ☺

Any Further Guidance

Hope you enjoy today's activities. Keep messaging the year 6 email and stay safe!
