Hi Everyone,
We hope you all had a good weekend and are safe and well.

Here are you home learning tasks for today.

Have fun!

English Task

Phonics: Today's sounds are 'ire' as in **fire** and 'ear' as in **hear**. Write a list of words that and write some in a sentence. Search Ruth Miskin on YouTube for more phonic lessons. (The sounds today are set 3 sounds)

Today we would like you watch the animation 'Bubbles'.

<https://www.literacyshed.com/bubbles.html> Together talk about where the bubble took the little girl. What did she see? What did she hear?

If you can not access this clip, imagine you jump on a large bubble and it floats up into the sky... talk about where it would take you.

Maths Task

Today we would like you to take a look at subtraction within 20.

Try this lesson on the BBC Bitesize website. (Dated 12th May)

<https://www.bbc.co.uk/bitesize/articles/zjh7mfr>

Alternatively. Roll your dice from your school pack. Roll it again and make a subtraction using these 2 numbers. Remember you must put the biggest number first when you write out a subtraction. Can you answer ten calculations. How quickly can you work them out? (You can count back on your number line or use counters to help you).

Foundation Subject Task

We have set a family sports challenge for you today. The challenge is for your family to take part in as many sports activities on the bingo sheet as possible. Visit the whole school resources page and click on 'Staying Active, Fresh Air and Sunlight'. Look out for the three 60 second challenges; **Tennis**- How many times can you tap up a tennis ball on a racket? If the ball touches the floor, time continues but your score freezes until you start tapping again! (Use socks and a frying pan/ or tray if you don't have a tennis racket!) **Speed Bounce**- How many times can you jump over a pillow and back? **Skipping**- How many can you do in 1 minute? (If you don't have a skipping rope try a dressing gown rope or just jump on the spot!) You can do these challenges as many times as you want. Try and beat your own score or try and beat a family member. I did 116 skips in a minute... can you beat me? Let us know how you get on.

Any Further Guidance

We hope you enjoy your tasks today. Don't forget to check out our school website. There are lots of other resources and ideas to help keep you busy at home on the whole school resources tab. Please send us any photos of you taking part in the sports challenges too. Stay safe.
