

Welcome Comment

Good Morning Year 4! I hope you all managed to complete Mrs Oakley's PE challenge yesterday. Well done to those of you who have sent yours over to me. Remember, there's still time so send over anything you want me to look at to the class email address.

Today's active task: A bit of [Zumba](#) this morning! This is one of my favourite hobbies!

English Task

Head over to this [website](#) today. There will be a photo for you to look at. Answer the questions under the 'Question time!' heading. Once you have done this, have a go at the 'Perfect Picture' section. Read the text in the 'Story Starter' section and then see if you can spot any [similes and metaphors](#). To help you, head over here. If you would like to continue the story starter to create a piece of writing, go ahead! Challenge: can you fix the 'sick sentences'?

Maths Task

To warm up, head over to [Hit the Button](#) and select 'division facts' Spend at least 10 minutes here.

Then I'd like you to head over to [White Rose Maths](#). When you get there, select 'Week 1: Lesson 3 – Tenths on a place value grid'. Watch the video and then have a go at the activities. You can use your squared paper or your purple book to record your answers.

Foundation Subject Task

Building on the work we started in Thrive on our heroes, have a look at and answer the following question.

This could be anyone! It could be someone in your family, a friend or even someone famous. It could even be a character from a book or movie! The person you choose doesn't have to be alive. Remember it is about who they are **not** what they have achieved. You could draw a picture of this person and maybe even write them a letter or email to tell them that you've chosen them and why

Any Further Guidance

I hope you've enjoyed the tasks today Year 4.

I checked Get Epic – we are now on 90 books read. That's over 33 hours of reading! If you haven't managed to get on there, make sure you check it out – there's some brilliant books on there for you to explore.

Keep smiling and stay safe. Miss D 😊
