Welcome Comment

Welcome Year Six to another day of learning. I hope you continue to keep well and look after your families. The good weather of today and tomorrow should allow you to get outside and enjoy the sun. It also gives you an ideal opportunity to keep working on Mrs Oakley's P.E challenge.

Remember to get your entries into the year 6 email. Go for it!

English Task

Many of you in my class love writing stories, so for today's English task I have a story challenge for you. I want you to finish off a story that has already been started in your own words. You can be as creative as you like with your story. Why not add some extra characters, make it funny with a joke, or draw some illustrations to create a comic strip?

Here is the story:

Paul and Sarah had been kicking their football against the wall all morning. "Right, you two!" called Mum. "Let's go out and walk off some of that energy."

Sarah scooped up the football in her arms and the trio set off down the road. They were just about to stroll past the large house on the corner, when a loud noise made them all jump. The football dropped to the floor and as Paul bent to pick it up, his jaw dropped in surprise when he saw...

Once you have finished, send it to the year 6 email for me to have a look at. I will then share the winning entry with the whole class as a reading task.

Maths Task

Can you solve this mathematical problem and tell me how old the teacher is?

Foundation Task

Yesterday I asked you to create your own flag for your island. Today I want you to research what flags of countries there are already in the world already, and make some notes about them.

Visit <https://www.kids-world-travel-guide.com/world-flags.html> to help you investigate, and let me know your favourite and why.

Any Further Guidance

Always remember that the activities and challenges I set can be done in any order, and, if you miss one from a previous day and want to go back to it, that is absolutely fine. Enjoy your day! Mr Salisbury
