**Welcome Comment**

Good morning Year Six and welcome to what will hopefully be a really sunny Wednesday. Some of your stories from yesterday were absolutely fantastic, I will announce the winner by the end of the week as I want to give everyone time to complete them. Below are lots of activities for you to get stuck in to today.

Have a great day!

**English Task**

How many words can you make from the above letters. Can you master the conundrum and find the nine-letter word? Get your family involved too, first family with the correct answer to the year 6 email gets a shout out the next day!

**Maths Task**

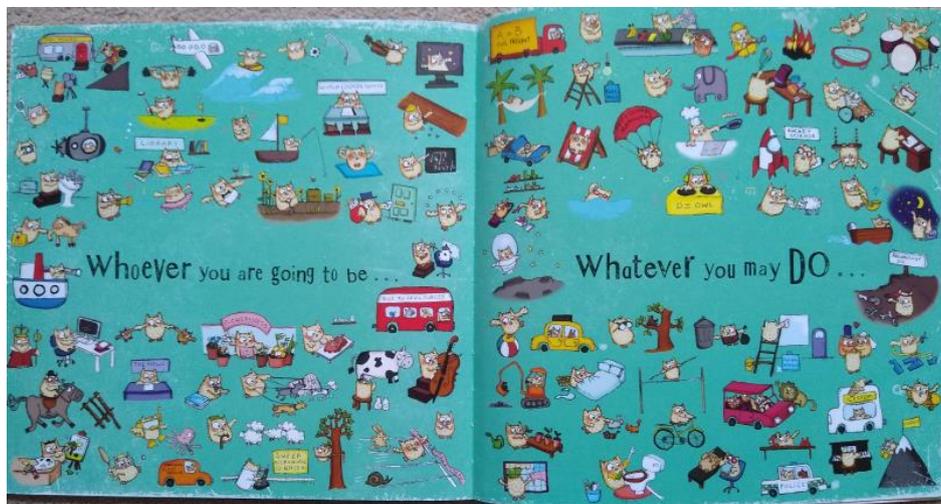

Today I would like you to spend some time on Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 15 - 30 minutes.

Below is the current leader board, can you challenge the top five?

1. Jack B – 0.90 seconds.
2. Jack L G – 0.97 seconds.
3. Max E – 1.13 seconds.
4. Jamal H S 1.20 seconds.
5. Harry A – 1.31 seconds.

**Foundation Task**

Now that SAT's are over (I told you they would pass by without you even noticing), I would like you to start thinking about your future. What job might you like to do when you are older? To help you to start thinking about this, I have attached a picture full of owls doing different jobs. How many different jobs can you spot? Make a list and send them to the year 6 email, again I will announce the winner who spots the most later in the week.

**Any Further Guidance**

I really hope you enjoy today's challenges, try and get outside too in the lovely weather, but stay safe. Mr Salisbury
