Hi Everyone,  
 Thank you so much for the emails so far, we love receiving photographs and messages about how you are getting on. We hope you enjoy your tasks today.  
 Have fun!

**English Task**

Phonics: Today's sounds are ure as in **pure**.  
<https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/zh828xs> This a quite a tricky sound so have a go at writing these words in a sentence and underline the ure sound; pure, cure, sure. Try to explain what each word means. You can also search Ruth Miskin on YouTube for more phonic lessons. (The sounds today are set 3 sounds).

Today we would like you to label your picture of where the bubble took you.

Use adjectives to describe what you can see/hear.  
 For example; green grass (green is the adjective).

<https://www.literacyshed.com/bubbles.html>

**Maths Task**

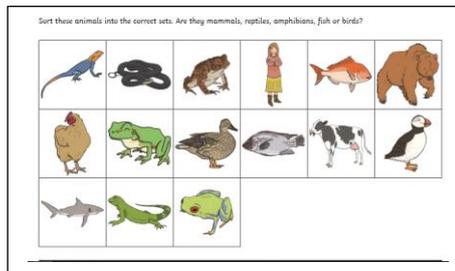

Today we would like to continue with subtraction as we know that this can be quite tricky. Practise counting back from 30-0. Try out this game again and try to answer the questions faster this time;

<https://www.topmarks.co.uk/maths-games/mental-maths-train> (Select the - and up to 20 Minus Single digit). Alternatively try answering these questions on your whiteboard;

- Take 2 away from 17 → 17-2=
- Subtract 5 from 15 → 15-5=
- Count back 8 from 19 → 19-8=
- Subtract 3 from 17 → 17-3=
- Take away 4 from 12 → 12-4=

**Foundation Subject Task**

Science- Grouping Animals. <https://www.bbc.co.uk/bitesize/articles/zfqc92p> Today we to try would like you try activity 1 (which is at the bottom of the page after the video clips). Then try and sort each animal into the correct groups. We have sent you a copy of the sorting sheet to print out if you can. Alternatively, can you write each animal group on a piece of paper (Amphibians, Birds, Fish, Mammals, Minibeasts and Reptile) and draw your own animals under each heading.

**Any Further Guidance**

Email if us if you need any extra help and support with the home learning tasks.

Mrs Oakley and Mrs Digger 😊
