

# Mrs Fassnidge's Family Art Challenge

Have a go at recreating a famous piece of art work. This can be achieved by using whatever resources you have around your home. You could use paint, pencils, chalk, real life objects or even yourself. All you really need to do is use your imagination!

Your art work must have a twist. For example, look at my attempt. Can you spot the twist in my recreation?

**Title:** The Scream

**Original Artist:** Edvard Munch

**Recreated by:** Mrs Fassnidge

Email your famous art recreations with a picture of the original piece, along with the original title/artist and your name to your class email address. We will display them in our art gallery upon our return to school and we will select some to post on the school website.

You might like to have a look at recreating the following pieces of art, or you can select your own:
