

**Teacher****Mrs Clerehugh****Class****Nursery****Date****01/06/20****Welcome Comment**

Hello everybody,

We hope you all had a good half term. This week we have a den building challenge for the whole family (including pets) that we really would love to see photos of if you have a go! There is a 'Milk Bottle Maths' activity where you can talk about the importance of recycling and reusing regular household items whilst having fun counting and ordering numbers.

There are two creative activities, as judging by the photos and comments you share with us, your little ones really enjoy making and getting messy! Finally there is a poster with suggestions for 'Preparing for School' which is largely applicable to those of our children who are due to be starting in Reception in September, although by all means get practising everyone!

**Family Learning**

Mrs Digger has set a family Geography challenge for you today. Your challenge is to create a 'Map' of your daily walk. Think about where you go on your daily walk. Which landmarks will you see along your journey, maybe a school, church, friend's house, can you draw these landmarks? If you are not leaving your house at the moment, or do not have a garden of your own, it could be that you choose to draw a map of the inside of your house, maybe from your bedroom to the kitchen. Can you draw a pathway of what you see along your route, do you have to go down the stairs, past the front door? Email a picture of your map and your name to your class email address. We will display some of the best maps on our school website. Visit the whole school resources page and click on the 'Staying Active, Fresh Air and Sunlight' button for more information and a preview of Mrs Digger's example.

Have fun!!!

**Any Further Guidance**

We hope that you are all still safe and well and look forward to seeing a few of you back with us soon. For those of you who are staying at home you will still receive this planning and the accompanying activities and we will be doing the same activities in Nursery so no one will miss out.

Keep sending us updates and sharing the wonderful things you do together.

Stay strong and look after one another.

Mrs C, Mrs Woodward and Miss Goodyear
