Welcome Comment

Good morning everyone! We hope that had a lovely half term. Today we are going to begin our new topic; 'Under the Sea'

Here is the link for your daily phonics session if you'd like to have a go;

https://www.youtube.com/channel/UCo7fbLgY2oA_cFCI9GdxtQ

English Task

Today we are going to listen to the story of The Rainbow Fish.

<https://www.youtube.com/watch?v=LKoSJ-k-NrE>

Can you draw the different characters that were in the story?

Maths Task For today's Maths activity we are going to try to estimate! That means that we are going to guess the number of items and then carefully count them after to check.

1. Start by collecting a handful of small items, for example, buttons, counters, grapes, marbles, lego cubes, anything you can find.
2. Now before you count...guess how many you think there are. Try to make a sensible guess, e.g. Are there more than one? Could there be over 100?
3. Now count the items carefully, count one at a time and move each item so that you know which ones you have counted.
4. Was your guess close? Spot on or way off?
5. Could you repeat this with different items?

Foundation Subject Task

Mrs Digger has set a family Geography challenge for you today. Your challenge is to create a 'Map' of your daily walk. Think about where you go on your daily walk. Which landmarks will you see along your journey, maybe a school, church, friend's house, can you draw these landmarks? If you are not leaving your house at the moment, or do not have a garden of your own, it could be that you choose to draw a map of the inside of your house, maybe from your bedroom to the kitchen. Can you draw a pathway of what you see along your route, do you have to go down the stairs, past the front door? Email a picture of your map and your name to your class email address. We will display some of the best maps on our school website. Visit the whole school resources page and click on the '**Staying Active, Fresh Air and Sunlight**' button for more information and a preview of Mrs Digger's example.

Any Further Guidance

We hope you enjoy this week's activities. Have fun today!

If you have any questions, please do not hesitate to email us. We are here to help!

From Mrs Digger and Mrs O'Connell 😊
