

Welcome Comment

Welcome back Year 4! I hope you are feeling rested after half term and ready for another week of learning.

Today's active task: There are Virtual School Games starting this week. There will be a new challenge each week. If you would like to take part, this week is a speed challenge. Roll up a towel and place on the floor, see how many jumps you can do over the towel from side to side. You must start with 2 feet and land with 2 feet. Both feet must land over the towel to count. How many can you do in 30 seconds? You can then enter via this [link](#) before Friday 5th June and you could win a certificate. More information can be found on the school website. Have fun and good luck!

English Task

Today, I have sent over some fact files all about the Vikings. Read through the 'Victorious Vikings' sheet and then answer the questions. Remember to keep checking the text to find the answers and make sure you answer all parts of the question. You can answer the questions in your yellow book if you do not have access to a printer.

Once you have done this, read Chapter 6 and 7 of Riddle of the Runes ready for work this week.

Thought for
the day...

Keep looking UP...
THERE MAY BE A
RAINBOW
waiting FOR you.

Maths Task

To warm up, head over to Times Table Rockstars and spend at least 15 minutes in any area. Once you have done this, head over to sound check and complete this 3 times. Can you improve your rock speed?

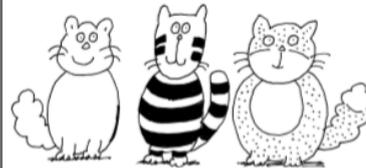

Once you have done this, have a go at solving this puzzle. Remember to show your working out!

Kieron's cats

Kieron has three cats.
Each is a different weight.

The first and second weigh 7 kg altogether.
The second and third weigh 8 kg altogether.
The first and third weigh 11 kg altogether.

What is the weight of each cat?

Foundation Subject Task

Mrs Digger has set a family Geography challenge for you today. Your challenge is to create a 'Map' of your daily walk. Think about where you go on your daily walk. Which landmarks will you see along your journey, maybe a school, church, friend's house, can you draw these landmarks? If you are not leaving your house at the moment, or do not have a garden of your own, it could be that you choose to draw a map of the inside of your house, maybe from your bedroom to the kitchen. Can you draw a pathway of what you see along your route? Do you have to go down the stairs, past the front door? Email a picture of your map and your name to your class email address. We will display some of the best maps on our school website. Visit the whole school resources page and click on the '[Staying Active, Fresh Air and Sunlight](#)' button for more information and a preview of Mrs Digger's example.

Any Further Guidance

Keep working hard Year 4 and remember to send me an email with all of your fabulous work especially the Geography family challenge! Can't wait to see them. Stay safe, Miss D 😊
