### **Welcome Comment**

Good morning!

I hope that you have all had a restful week and have managed to enjoy some of the beautiful sunshine we have had! It's Monday morning and it's back to it! So give the activities your best effort and don't forget to send an email to the Year 5 address if you have any problems or to let us know how you're getting on. ☺

### **English Task**

Today I would like for you to revisit chapter 20. In this we see that the Warden wears some very interesting nail polish with a very special ingredient! Your task today is to create an advert for Red Venom Nail Polish. Your advert can take any form you wish. Think carefully about how you will persuade people to buy your product.

### **Maths Task**

Your maths challenge today is a problem-solving activity. Read the challenge carefully below and give it your best shot!

Using the digits 1, 2, 3 and 4 and +, -, x and ÷ symbols make the numbers from 1 to 30. For example,  $1 + 2 + 3 + 4 = 10$ .

Requirement: you must use each of the numbers every time.

### **Foundation Subject Task**

Mrs Digger has set a family Geography challenge for you today. Your challenge is to create a 'Map' of your daily walk. Think about where you go on your daily walk. Which landmarks will you see along your journey, maybe a school, church, friend's house, can you draw these landmarks? If you are not leaving your house at the moment, or do not have a garden of your own, it could be that you choose to draw a map of the inside of your house, maybe from your bedroom to the kitchen. Can you draw a pathway of what you see along your route, do you have to go down the stairs, past the front door? Email a picture of your map and your name to your class email address. We will display some of the best maps on our school website. Visit the whole school resources page and click on the '**Staying Active, Fresh Air and Sunlight**' button for more information and a preview of Mrs Digger's example.

Have fun!!! ☺

### **Any Further Guidance**

I hope you have a great Monday and that you are looking forward to the week ahead. I will be back in school this week, so Mr Salisbury is helping out with my emails. So please keep emailing the Year 5 address as we love to hear from you, but I just wanted to let you know that you may hear from Mr Salisbury as well as me!

Have a great week, take care,

Miss McGowan ☺
