

### Welcome Comment

Good Morning Year 4! I can't believe how quickly the time is going past. Although we aren't together, it's great to see your efforts. Don't forget to email me!

Today's active task: Dance with [Oti!](#)

### English Task

I would like you to take part in the National Writing Day Challenge. It was originally held on 24<sup>th</sup> June, but we can still join in! Head over [here](#) and watch the video. Your task is then to create a piece of writing. There are just three rules:

1. You are going to write a brilliant 24-word short story.
2. Your story must start with the words 'One day'.
3. You will write it in just 7 minutes!

There's some ideas on the page to help you. Send them over to me when you've finished! Can't wait to see them!

### Thought for the day...

### Maths Task

Have a go at the puzzle, 'Add up to 20' that has been attached or find it on the website. Can you complete the challenge? Can you create your own puzzle in a similar style perhaps by changing the target number?  
Good luck!

### Foundation Subject Task

I would like you to use your DT skills today. Head over [here](#) and watch the videos all about building and creating strong structures. Once you have done this, your challenges are explained. You need to create a structure strong enough to hold an object. Make sure you check with a grown up before using things! Send over your finished work to me. How strong can you make it? Enjoy!

### Any Further Guidance

I would like you to keep reading Year 4. It's so important! As well as Get Epic and Oxford Owl, there are lots of ideas and links to super websites on the school website which you can access and enjoy.

Stay safe,

Miss D 😊
