Morning Year 5!

Wednesday already! I hope you had fun with the music task yesterday and were gentle with yourself! I found it was quite easy to get carried away! I have picked a high energy activity for us to try and get us moving this morning – I hope you're ready! <https://family.gonoodle.com/activities/turn>

English Task

We are still staying focused on chapters 40 – 42 today and we are practising our VIPERS again but with a focus on our retrieval skills today.

- 1.) What does the doctor say that the leeches will do?
- 2.) Why does Hattie blush?
- 3.) How does Stanley like to eat his onions?
- 4.) Why doesn't Stanley let Zero dig?

Today's challenge:

Summarise the three chapters in 20 words or less.

Maths Task

More mental maths Year 5!!! ☺ I hope you are all giving it your best shot – even the tricky questions. Again, you will have the resource along with your email and you will be able to access it on the school website. Have a go, do your best, that's all I ask! Good luck! ☺

Foundation Subject Task

Congratulations Year 5! You are now the proud owners of a wonderful French bistro! However, the old owners had been at the café for a while so the menu needs a revamp! Using your knowledge of French food and drink, you need to create a new and exciting menu that caters for adults and children. Think carefully about how your menu looks, how it is organised, what it offers and how much it costs! For a bit of inspiration for menus, you could look at online restaurant menus to look at designs and layout. If you need a refresher of your French words for foods and drinks, revisit <https://www.french-games.net/frenchtopics> to help! Bonne chance et profitez! ☺

Any Further Guidance

Thanks for all the emails so far this week. I hope that you have been enjoying the tasks and giving them your best effort. Remember, if you have any problems, just let us know and we will do what we can to help you.

I hope you have had a great day,

Take care,

Miss McGowan ☺
