### Welcome Comment

Happy Friday everyone. Today I have chosen some fun activities which I hope you will enjoy. You have done a great job so far with the work on 'The Birds' Keep it up!

### English Task

Remind yourself of the story of 'For the Birds'. I would like you write about what happened as if you are one of the little birds and you have to explain to your mum why you've come home with no feathers. Remember to include lots of interesting vocabulary and punctuate your work accurately.

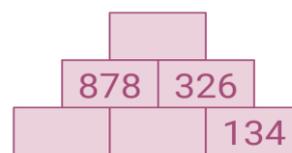

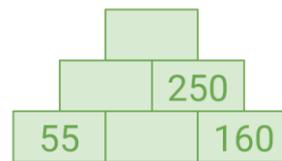

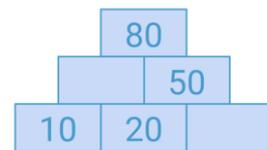

#### For The Birds:

### Maths Task

To warm up, head over to [Hit the Button](#) Choose times tables → hit the answer → mixed. You should do this at least 3 times. Can you beat your score? If there are any tables you are struggling with, you could go back and select that table to practise it. Task: Number Pyramids In a number pyramid, numbers next to each other are added together to make the number above it. Can you work out what the missing numbers are? There are 3 levels of challenge. You can find a larger copy [here](#)

### Foundation Subject Task

For today's task I am going to give you a choice. They are all based on the idea of kindness.

1. Build a kindness tree – you could use toilet paper/card/other art materials. The leaves could be words or acts of kindness.
2. Alternatively, you could create and build a bird whose feathers are words or acts of kindness. Or you could create both!
3. Design a poster promoting ways people can be kind to one another.

### Any further guidance

We are looking forward to seeing all your creative ways of being kind. Remember if you can choose to be anything, choose kind! Mrs C 😊
