

Welcome Comment

Good Morning Year 4! As we do every Friday, I would like you to spend some time reflecting on the week. What are you proud of? Have you learnt a new skill?

Today's active task: As it's Friday, we really should have a [dance](#)!

English Task

Today, I would like you to think of something special to you. Have a look at this [photo](#). There are some questions to answer about it. Once you have done this, complete the activity about something you feel is special or a special time you spent with someone. Perhaps it was during lockdown. If you can, share your special experience with the person you shared it with to brighten up their day. Make sure you show me too!

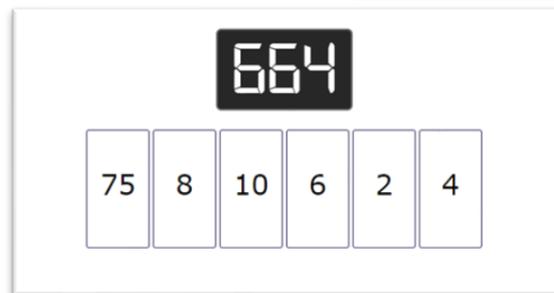

Thought for the day...

Kid President

Maths Task

Have a go at the target number challenge. Use the cards (only once) to try and get as close as you can to the target number. You don't need to use all the numbers but you can use ANY operation. Good luck! 😊

664

75	8	10	6	2	4
----	---	----	---	---	---

Foundation Subject Task

Today, and over the weekend if you would like, I would like you to choose a topic to create a mini project on. This can be on ANYTHING you are interested or enjoy. It might be a hobby you do e.g. gymnastics or just something you have always wanted to learn about. It might be something you already know lots about! You can do this in any format – a poster, leaflet, text or PowerPoint. It's up to you!

Any Further Guidance

Well done on completing another week. Don't forget to send over your work and just say hi!

I am looking forward to seeing all of your competition entries so make sure you send them over to Mrs Fassnidge on Year2@suttonpark.worcs.sch.uk as well as the haiku to Mr Salisbury on the Year 6 email: year6@suttonpark.worcs.sch.uk

Have a great weekend. Much love,
Miss D 😊
