Class

Six

Date

03/07/20

Welcome Comment

Good morning Year Six and welcome to Friday. Another week is nearly complete. Today is the deadline for the photography, Haiku poetry and Black Lives Matter tasks so make sure you get your entries to me. Enjoy your day.

English Task

As always, I would like you to begin by reading for fifteen minutes of a book of your choice. Don't forget, 'Go Epic' Audio books through Amazon and Oxford Owl are all still offering free access to give you plenty of choice if you want to mix things up.

Today I would like you to design a front cover for your brand-new journal that you should have received by now – make it colourful and bright. Make it personal to you - here are some examples to help you with ideas. 😊

Maths Task

Today I would like you to head to

<https://mathsframe.co.uk/en/resources/resource/486/Y6-Arithmetic-Practice>

Here you will be challenged to complete fifteen mental maths questions as quickly as you can. You may want to do some working out on paper to help you. Let me know your scores and how you get on.

Y6 Arithmetic Practice

$$\frac{1}{4} - \frac{1}{3} = \frac{11}{12}$$

Play game!

Question 14 of 15

Foundation Task

Today I would like you to think about your time at Sutton Park Primary. What has been your favourite moments spent here. Perhaps it was a memorable trip out of school, a sports tournament or just a really funny moment that you will never forget. I would like you to produce a short recount of this event and send them to me via the year six email. I look forward to reading them.

Any Further Guidance

That's all for today and this week Year Six. Have a great weekend and I will be back in touch on Monday.
