

Welcome Comment

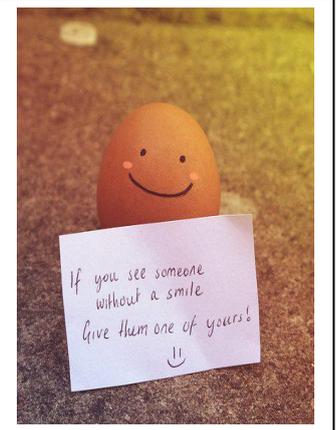

Good Morning Year 4! I hope you are all feeling energised and ready to learn. We have a nice yoga activity to get our brains and bodies ready for a day of learning.

Today's active task: Have a go at this [Cosmic Kids Yoga](#) activity today. Enjoy! 😊

English Task

We are going to do some spelling activities today because it's been a while! I'd like you to head over to the [BBC Bitesize page](#) and read the information on suffixes. You can then watch the videos to check you fully understand. Once you are happy, have a go at the activities. You can do this in your yellow book. Once you have finished, I am going to set you a challenge. How many different suffixes can you think of? Can you come up with words to show how your suffix works? Are there any rules for adding certain suffixes e.g. do you have to double any letters or maybe remove some?

Thought for
the day...

Maths Task

More Mental Maths for you today Year 4. Keep persevering and having a really good try. Don't forget to show your working out. Make sure you are also practising your times tables on Rockstars too! 😊

Foundation Subject Task

PE today Year 4! I have sent over a 'Connect 4' grid full of activities for you to have a go at. How to play:

- Each player chooses a colour; red or yellow.
- Players take turns to choose an activity starting from the bottom row. Once they have completed the activity they mark it off with their colour.
- Players can not choose an activity from the row above until the one beneath has been completed.
- Can you be honest and complete each activity correctly?
- The first player to get 4 in a row; horizontal, vertical or diagonal is the winner.

Good luck!

Any Further Guidance

I hope you have enjoyed the activities today. Remember to send me over some of your work to have a look at. I wonder if we can get to 200 books read on Get Epic before Monday? Let's have a really good go Year 4! Keep working super hard and stay safe. Miss D 😊
