### **Welcome Comment**

Good morning Year 5!

Another day, another Go Noodle dance! Try this one out today...

<https://family.gonoodle.com/activities/spread-love>

Have fun and have a great day! ☺

### **English Task**

In Chapter 23, the author describes Green Lake One hundred and ten years ago. Write and explain how Green Lake today, compares to Green Lake back then. Remember to use evidence from the text to support your thinking. What do you think might have happened for the descriptions to be so different?

### **Maths Task**

#### **How Tall?**

Here is part of the conversation between a group of teachers as they discuss a tall tree nearby:

"I wonder how tall it is?" says Miss Crawley.

"I think we could find out," replies Mr Salisbury.

"It could be difficult as it's very high," says Mrs Weatherby.

I wonder how they each went about finding out the height of the tree?

I wonder how YOU would find out how tall a large tree in your surroundings is?

What would you do? How many ways could they try and estimate the height of the tree?

Explain your thinking.

### **Foundation Subject Task**

To support your English task today, I would like for you to produce a picture of the Green Lake described in chapter 23. You can then compare this to your drawing of Camp Green Lake that you did right at the start of our topic! You can do this however you wish. You could draw, paint, collage or even create a model of Green Lake if you wish! Be creative! ☺

### **Any Further Guidance**

Thank you for all of your emails this week. It looks like you have been working really hard and have produced some lovely work. Well done and keep it up!

Take care and stay safe, Miss McGowan ☺
