Good morning Year 2!
Well, we've made it to Friday and now we have the weekend to rest!

Remember to use our word of the week when talking to your family. How many times can you use it correctly throughout the day?

Word of the week:

Word: peckish (adjective)

Definition: If you say that you are feeling peckish, you mean that you are slightly hungry.

It was quarter to 12 and everyone was beginning to feel peckish.

Synonym (words with similar meanings): hungry

Antonym (words with opposite meanings): full up

English Task

First, spend 10 minutes reading. I have set 3 different sea-related books on Epic! <https://www.getepic.com/sign-in>
Class Code: shm6148

Using your chosen 'under the sea' picture book and your puppets, retell the story by acting it out to an audience. If possible, record yourself and email me the video.

See if you can improve your speed from yesterday's session. Can you remember the facts you struggled with?

**You need to know these facts inside out!
Keep practising!**

Daily 10
Mental Maths Challenge

Foundation Subject Task

I would like you to spend the afternoon choosing at least 2 activities from the Family Well-Being Grid in the Thrive and Well-Being section of the school website. Let me know the activities you choose and whether you enjoyed them.

Any Further Guidance

Hopefully, you have been busy practising this week's spellings! Have one last practice before you ask a grown up to test you. **Can you spell the root word and then add the 'ed' suffix? Can you act out each verb for a family member to guess?** Let me know how many you get right.

Have a happy and safe weekend!
