Welcome Comment

Good Morning Year 4! I hope you all had a wonderful weekend and took some time to relax and get yourself ready for another week of learning.

Today's active task: Have a go at [this](#)!

This week brings the start of another virtual school games challenge. All information can be found on the school website. Please join in and don't forget to use #WorcsVirtualSG

Thought for the day...

English Task

Building on the work we did in school on developing our sentence structure, have a go at this [activity](#) today. Watch the videos and then complete the activities. Once you have finished, create a poster showing all that you have learnt about subordinating conjunctions.

Remember to keep reading, it's SO important! Don't forget you can read ANYTHING! Books, newspapers, magazines, comics, recipes, the list is endless.

A PERSON
WHO NEVER
MADE A
MISTAKE,
NEVER
TRIED
ANYTHING
NEW

Albert Einstein

Maths Task

Head over to Times Table Rockstars where I have set up a 'Top of the Rocks' tournament for you. The aim is to answer as many questions as possible. You can play in any game type and any area. You can have as many goes as you want within the given times. Have fun and good luck!

Foundation Subject Task

I have set a family 'Reading Challenge' for you today. Your challenge is to create a reading den. Reading dens are special spaces to curl up with a book. They don't need to be permanent – in fact temporary dens, built from household objects are best! There are loads of different ways to make one. You could use a rug, sheet or even a pile of cushions to create a cubbyhole in an unexpected place. You could turn a huge cardboard box into a reading castle, or drape a rug or sheet over a washing line to create a reading tent. Small children can even snuggle up under an umbrella on a rug. To turn a den into a *reading* den, just add cushions, blankets... and books! You might create some reading inspired art work to add a finishing touch. When it is finished, sit down to read one or two books together as a reward for your hard work. Don't forget to send over your photos and we will choose some of the best ones to put on the school website. Happy den building!

Any Further Guidance

I hope you have had a good day and have tried your best. I can't wait to see your reading dens. Please remember to send any photos over to me – you know how much I love reading Year 4!

Stay safe, Miss D 😊
