Happy Tuesday everyone,

I hope you enjoyed yesterday's challenges and are ready for your tasks today.

This morning for your activity, why don't you try a [Cosmic Kids Yoga](#) challenge.

You can choose one that you like the look of – there are so many to choose from!

Click on the link or search on Google or You Tube to find the channel. Enjoy! 😊

English Task

At the end of Chapter 25, Hattie Parker sees Kate and Sam kissing. She is very shocked by this and has a very strong opinion about it.

I want you to imagine Hattie Parker going to a friend and telling her friend what she saw. Have a go at writing the conversation as if it were a play script. (You could then act it out if you would like!)

Example:

Hattie turns away, hands clasped to her face in shock and runs towards Doc Hawthorn's house.

HATTIE: (Knocking door loudly) Doc! Doc! I know you're in there! Answer the door right now! You will not believe what I just witnessed!

DOC: (Annoyed) Goodness me Hattie! Where's the emergency? Calm down would you? Whatever happened can't have been that bad.

HATTIE: (Shouting) God will punish them Doc, punish them he will!

DOC: (Confused) Punish them? Who? Why?

Maths Task

Here's another challenge for you! Today we are going to have a go at 'Snakes'. Read the problem carefully (available on the school website, in our resources) and have a go. Just like yesterday, if you are finding it tricky, have a look at the 'simplifications' section and if you are finding it easy or fancy something a bit trickier, have a look at the 'challenge' section! Good luck! 😊

Foundation Subject Task

In chapters 25 and 26, we have a flashback to 110 years ago where we find out the history of Kate/ Katherine Barlow. The chapters address some very grown up situations and are very sad, and we find out a lot about Sam the Onion Man and find out that he is not allowed to attend Miss Barlow's classes. We also find out that Sam is sentenced to death by hanging.

Can you explain to me why Sam isn't allowed to attend the classes and why he is sentenced to death? What is your opinion of this? Record your thoughts in your yellow books.

Any Further Guidance

Don't forget to make sure that you are looking after yourself and your grown-ups and that you are taking time to relax as well as do all of your school work. Remember that you can look on the school website at the Thrive activities that you could do to relax.

Have a great day 😊
