Welcome Comment

Morning Year Six and welcome to Wednesday's learning. So many of you really enjoyed the logo quiz from yesterday and so part two is below. I also have the usual countdown conundrum to wake us up, and a fun Maths challenge too. Enjoy!

English/Transition Task

I would like you to complete some independent reading of a book of your choice. Remember to head to <https://stories.audible.com/start-listen> or 'go epic' if you fancy something a bit different.

Below is today's countdown conundrum. How quickly can you work out the nine-letter word. Don't forget to make as many words as you can as well.

Travelling to and from secondary school requires careful planning and organisation, especially in the current situation. Today I would like you to think about how you will get to and from your new school. Will you walk or ride your bicycle? Take the bus? Or travel in the car? Following this, I want you to plan your journey to school and your journey home from school. What time will you need to leave the house to arrive at school on time? Which route will you take? Will you meet any friends on route? Do you need to take anything with you e.g. a bus pass or a bicycle helmet? Google Maps may help you!

Maths Task

I would like you to go to <https://www.topmarks.co.uk/maths-games/hit-the-button> and complete some work on your square numbers. See how many you can get in a minute. Have at least five attempts.

Building on yesterday's angle work, I would now like you to think about your journey to secondary school that you created earlier. Using the map you have created, can you work out how many degrees of turn you would take in order to complete your journey?

Young Enterprise Task

Here is today's second part of the logo quiz for you to have a go at. There are some tricky ones in there, but remember to get your teacher or family involved to help. Again, get your entries into the year six email and I will send you the answers back.

Any Further Guidance

Remember to keep messaging the year six email, it's always fantastic to hear from you.

Take care. Mr Salisbury
