Welcome Comment

Morning Year 5!

I hope you are having a super week! This morning, I have been getting myself ready to work by dancing along with [Oti Mabuse on her You Tube channel](#) (I went for The Greatest Showman one). Have a look and see if you fancy giving one a go! 😊

English Task

Yesterday we read chapter 28. When you turn the page, we don't see chapter 29! Instead, it says "PART TWO: The last hole".

Today I would like you to write a prediction about what you think will happen in part two. What do you think is meant by the last hole?

Write your prediction using evidence from the book that supports your ideas about what will happen. Make sure your prediction is detailed and recorded neatly in your yellow book.

Maths Task

Here's another challenge for you, you lucky people! Today we are going to have a go at 'Arithmogons'. Read the problem carefully (available on the school website in our resources) and have a go. Just like we have been doing throughout the week, if you are finding it tricky, have a look at the 'simplifications' section and if you are finding it easy or fancy something a bit trickier, have a look at the 'challenge' section! Good luck! 😊

Foundation Subject Task

Over the past few lessons we have been looking at equality and thinking about the role that it plays in our in class book, Holes.

Being treated unfairly because of skin colour or race is unfortunately something that carried on in today's society and has been in the news a lot over the past few weeks. However, inequality for people of colour is an issue that has been around for many years. Today I would like for you to find out about a woman called Rosa Parks. Read the [PowerPoint](#) (also available on the school website if you do not have a Twinkl log in). In the presentation, you are asked questions, I would like you to think about those questions and then answer them in your yellow books. After reading the presentation, please write a short paragraph about Rosa Parks and what you think and how you feel about what happened.

Any Further Guidance

Thank you again for the emails, it really is lovely to see how you are getting on. Make sure you are asking for help if you are struggling. If you haven't sent an email yet to the Year 5 address, please do.

Have a great day,

Take care,

Miss McGowan 😊
