Welcome Comment

Hello Year Six, and welcome to Thursday. Below are today's challenges, including the beginning of our Young Enterprise Challenge. This will be an individual challenge rather than a group one this year for obvious reasons. As usual, please send me your work, or just a message to let me know how you are o.k. Go for it!

English/Transition Task

I would like you to complete some independent reading of a book of your choice. Remember to head to <https://stories.audible.com/start-listen> or 'go epic' if you fancy something a bit different.

Below is today's countdown conundrum. How quickly can you work out the nine-letter word. Don't forget to make as many words as you can as well.

I G G O N O R E F

As you begin secondary school, you are likely to have greater freedom over what you choose to eat. Have a think about what a balanced diet looks like and what a healthy food choice is using this link to help you. <https://www.bbc.co.uk/bitesize/topics/zf339j6/articles/zmwvvgdm>

Now think about what the school canteen may offer for lunch. Using these ideas, create a balanced lunch plate which you would want to eat. You may want to create a 5-day menu to encourage other people to eat a varied diet.

Maths Task

I would like you to go to <https://www.topmarks.co.uk/maths-games/hit-the-button> and complete some work on your doubling skills.

Next, while I was out for a short walk the other day, I couldn't believe how many insects, animals and birds I saw. Lockdown really seems to have helped wildlife thrive. Today I would like you to head outside, either for a walk or just to your outside area, and tally how many different creatures and animals you see. We will use this data tomorrow so keep it somewhere safe.

Young Enterprise Task

We are starting our Young enterprise challenge today. You are now in charge of a business and you need to complete the following tasks:

- You need to come up with a name for your team (in the Young Apprentice the two teams were called Team Instinct and Team Revolution).
- Your team name must be chosen for a reason which you have to be able to explain to me.
- You have to come up with a company motto (like a slogan – something that tells us about your company) as well as some rules for you to follow to ensure your business runs effectively.

In this part of your folder you need to include

1. **Your team name and motto as well as a written explanation as to why you chose your team name.**
2. **A contract which lists all the rules you will follow, which you will sign.**

Any Further Guidance

That's all for today Year Six. See you tomorrow for our final tasks of the week.

Take care. Mr Salisbury
