Welcome Comment

Good morning Year Six and welcome to the last day of the week. I hope you and your families are all well and you continue to look after each other.

Below are today's activities, let me know how you get on in the usual way!

English/Transition Task

I would like you to complete some independent reading of a book of your choice. Remember to head to <https://stories.audible.com/start-listen> or 'go epic' if you fancy something a bit different.

Below is today's countdown conundrum. How quickly can you work out the nine-letter word. Don't forget to make as many words as you can as well.

Your new school uniform at secondary school may include wearing a tie. I would like you to practise how to do your tie by watching this tutorial. <https://safeyoutube.net/w/lxID>. (You may have to borrow a tie off your dad or older sibling).

Once you've mastered it, can you write a set of instructions for someone else teaching them how to tie theirs?

Maths Task

I would like you to go to <https://www.topmarks.co.uk/maths-games/mental-maths-train> and complete some mental maths questions on all four operations.

Yesterday, you headed outside, either for a walk or just to your outside area, and tallied up just how many different creatures and animals you saw. Today I would like you to display this data, but how you do this is up to you. You could choose a simple bar chart, or maybe challenge yourself further with a pictogram or pie chart. It's totally up to you.

Thrive Task

All of us have experienced a variety of feelings and emotions over the last few months, and it can be really tricky to describe these to others.

Today I would like you to take some time out to chill and colour, using the Art of Anime to do this. I have attached a document which I would like you to choose a colouring from which displays how you are feeling or how you have felt over the last few months. Colour the picture and try and explain the reasons for your feelings in words. I would love to see these, so please email me when complete.

Any Further Guidance

That's all for this week Year Six. Have a great weekend and stay safe!
