Hi Everyone,  
 Its Friday already and for some of you will have been back at school for a whole week now. Well done if you are joining in at home with these activities and please remember to email us if you have any questions.

**English Task**

Today we are going to explore **past and present tense**. If it has already happened, then it is the past tense, e.g. I **jumped** on my trampoline. If you are using the present tense then it is happening right now, e.g. I am **jumping** on my trampoline.

Can you write one past and one present sentence for each of these verbs:

**play, walk and count.**

**Remember to add 'ed' if it is the past and 'ing' for the present.**

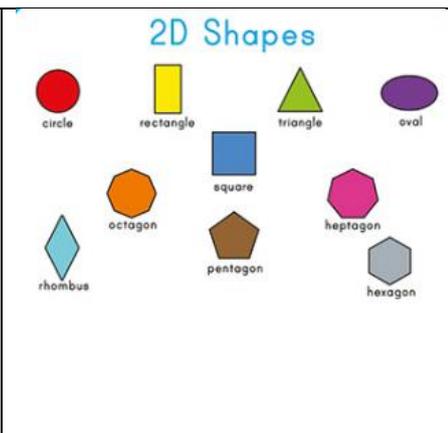

**Maths Task**

Today we would like you to continue thinking about 2D shapes.

Today we are going to play 'Guess my shape!'

You will need a partner and some shapes, use these pictures here if they help. Think of a shape but don't tell your partner what it is, just give them a clue, e.g. It has 4 equal sides, or it has one curved edge etc.

Then swap with your partner and listen to their clues carefully and guess their shape.

**Foundation Subject Task**

Friday afternoons are THRIVE Time at Sutton Park.

Today's Thrive activity is to join in with a Cosmic Kids yoga adventure for younger kids based on the lovely story by Michael Rosen, We're Going on a Bear Hunt. Join Jaime as we try to catch a big one. We can't go over it...we can't go under it!

**Any Further Guidance**

We hope you enjoy your tasks today. Well done to all of you who are using GetEpic! To do some extra reading at home, remember that our password is **drs1234** to login. Enjoy!!

Mrs Oakley and Mrs Digger 😊
