### Welcome Comment

Good morning everyone! We hope that had a lovely weekend. Today we are going to continue with our new topic; 'Under the Sea'

Here is the link for your daily phonics session if you'd like to have a go;

[https://www.youtube.com/channel/UCo7fbLgY2oA\\_cFCIlg9GdxtQ](https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIlg9GdxtQ)

### English Task

<https://www.youtube.com/watch?v=1PuKmJH6c7c&t=4>

This week's story is 'Sharing a Shell' by Julia Donaldson.

Today's task is to listen to the story and then draw the characters from the story. Can you remember them all?

### Maths Task

For today's Maths activity we are going to explore the number 10.

How many different ways are there of making the number 10 by adding two single digits together? For example  $10+0=10$ ,  $9+1=10$ ...

You could use 10 of your counters from your home learning pack if you're at home. How many more ways can you think of? Can you write some number sentences to show your findings?

### Foundation Subject Task

Mrs Digger has set a family Design and Technology challenge for you today. As we are seeing so many rainbows around at the moment, we thought we'd use the symbol of hope for our DT family challenge.

We would like you to have a go at creating your own Rainbow themed food. You could use a rainbow of fruits or vegetables or a selection of coloured treats! Email a picture of your creation and your name to your class email address. We will display your photographs in our D.T. classroom and some of the best creations will be shared on our school website. **You MUST include rainbow colours.**

Mrs Digger did it with sweets—how will you do yours? Visit the whole school resources page and click on the '**Thrive and Wellbeing!**' button for more information and a preview of Mrs Digger's example.

Have fun!!!

### Any Further Guidance

We hope that you have enjoyed today's activities, please let us know if we can help in any way by emailing us at the above address.

From Mrs Digger and Mrs O'Connell 😊
