

Teacher

Mrs Cornforth

Class

3

Date

15/6/20

Welcome Comment

Morning Year 3 I hope you have had a good weekend and managed to do something that makes you happy.

English Task

This week we are going to have a space theme in our English activities. I want you to look at the following image. What happens next? Use your imagination to write a short adventure story. Make sure you use descriptive language and adverbs to help build pictures in your readers' minds!

**Maths Task**

We are going to have a go at some more problems this week! So today we are starting with Magic Squares.

[Magic squares](#) are squares in which each row, column and diagonal add up to the same total.

2	7	6	→	15
9	5	1	→	15
4	3	8	→	15
↙	↓	↓	↓	↘
15	15	15	15	15

Foundation Subject Task

Mrs Digger has set a family Design and Technology challenge for you today. As we are seeing so many rainbows around at the moment, we thought we'd use the symbol of hope for our DT family challenge.

We would like you to have a go at creating your own Rainbow themed food. You could use a rainbow of fruits or vegetables or a selection of coloured treats!

Email a picture of your creation and your name to your class email address. We will display your photographs in our D.T. classroom and some of the best creations will be shared on our school website. **You MUST include rainbow colours.**

Mrs Digger did it with sweets—how will you do yours? Visit the whole school resources page and click on the '**Thrive and Wellbeing!**' button for more information and a preview of Mrs Digger's example.

Have fun!!!

Any further guidance

Miss D and I are looking forward to reading your adventure stories. Keep emailing them to the Year 3 email address. Mrs C 😊
