Welcome Comment

Good Morning Year 4! I hope you had a great weekend and are ready for another week of fun and learning.

Today's active task: Have a go at this [dance along video](#) with Oti Mabuse – I love this one!

English Task

Today, I would like you to practise your inference skills. Inference skills are so important when reading because we need to use the clues within the text as well as our own knowledge to make sense of what we have read. Head over [here](#) and watch the video that explains how inference is being like a detective. Once you have done that, have a go at the activities. There is a video about 'Tiddalik the Frog' to watch and some questions to answer about it. You can record these answers and thoughts in your yellow book. Make sure you send me over your work so I can see what you've been up to.

Thought for the day...

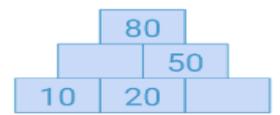

Maths Task

To warm up, head over to [Hit The Button](#). Choose times tables → hit the answer → mixed. You should do this at least 3 times. Can you beat your score? If there are any tables you are struggling with, you could go back and select that table to practise it.

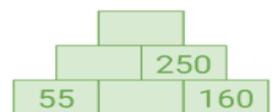

Task: Number Pyramids

In a number pyramid, numbers next to each other are added together to make the number above it. Can you work out what the missing numbers are? There are 3 levels of challenge. You can find a larger copy [here](#).

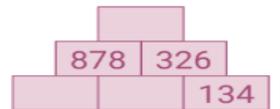

Easy

Hard

Foundation Subject Task

Mrs Digger has set a family Design and Technology challenge for you today. As we are seeing so many rainbows around at the moment, we thought we'd use the symbol of hope for our DT family challenge. We would like you to have a go at creating your own Rainbow themed food. You could use a rainbow of fruits or vegetables or a selection of coloured treats! Email a picture of your creation and your name to your class email address. We will display your photographs in our D.T. classroom and some of the best creations will be shared on our school website. **You MUST include rainbow colours.** Mrs Digger did it with sweets—how will you do yours? Visit the whole school resources page and click on the '[Thrive and Wellbeing](#)' button for more information and a preview of Mrs Digger's example. Have fun!!!

Any Further Guidance

Thank you so much to those of you who have been emailing me. It's been great to see your work and other things you've been up to. I love that lots of you have been out in the garden, going for walks and dancing. Let me know what wonderful activities you've been doing.

Stay safe,

Miss D 😊
