Welcome Comment

Good morning Year 2!
 I hope you're all well and enjoying this week's tasks!
Remember to use our word of the week when talking to your family. How many times can you use it correctly throughout the day?

Word of the week:
Word: observe (verb)
Definition: Watch someone/something.
I observed the football game to see who was playing well.
Synonym (words with similar meanings): watch, see, view, notice.

English Task

First, spend 10 minutes reading. Read the rest of 'Shark Baby' on **Epic!** <https://www.getepic.com/sign-in>
Class Code: shm6148 **Answer these questions:** How many babies did the octopus have? Where were the babies? What type of creature was the mermaid? What danger did baby shark face and what did he do to save himself?

Using the poem you chose for yesterday's English task; copy it out in your best handwriting. Make sure tall letters are tall and small letters are small. If you are joining your writing, take care with your joins!

Maths Task

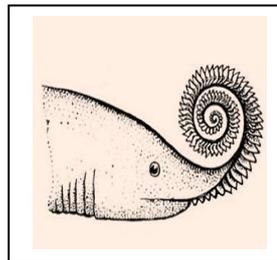

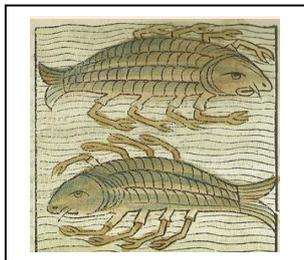

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 10 minutes.

A bike has 2 wheels. A car has 4 wheels.
 In the carpark, there is a **mixture of bikes and cars.**
 Altogether there are 24 wheels.
 Think of the different number of cars and bikes there could be.
 Find at least 3 different combinations.
 You can draw pictures to help, if you need to.

Foundation Subject Task

On Tuesday, you created, drew and labelled your very own sea creature. Yesterday, you began making your new creature out of any resources you have available. Today, I would like you to complete your model. **Be as creative as you possibly can!**

Any Further Guidance

Keep practising your chosen spellings from Monday's English session.
 Email me with your completed sea creature models, so that I can select some to showcase on Twitter.
