Welcome Comment

Good morning Year 2!
Well, it's Friday again. After today, it's time to rest and recharge our batteries!

Remember to use our word of the week when talking to your family. How many times can you use it correctly throughout the day?

Word of the week:
Word: observe (verb)
Definition: Watch someone/something.
I observed the football game to see who was playing well.
Synonym (words with similar meanings): watch, see, view, notice.

English Task

First, spend 10 minutes reading. You may choose a book from Epic! or read your own.
<https://www.getepic.com/sign-in> Class Code: shm6148

*My wings are used as flippers,
 So in water I can flow,
 Sometimes when on land I slide,
 On my belly in the snow.
 What am I?*

Read the riddle. Can you guess what animal it is?
 Today, I would like you to write your own sea animal riddle. (It does not have to rhyme!) Make sure that you use interesting adjectives to describe it. Can your family guess what it is? You could always make a secret flap with the answer underneath.

Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 10 minutes. **Remember that I can see the last time you logged on!**

Have a go at the division facts ($\div 2$, $\div 5$, $\div 10$). Try improving your score each time!
 Once you are confident with these facts, try $\div 3$.

Foundation Subject Task

Make a heart shape out of all the things you can find that make you happy. Take a photograph of your heart. Here is my heart...

Can you spot what makes me happy?

Any Further Guidance

Hopefully, you have been busy practising this week's spellings! Have one last practice before you ask a grown up to test you. Let me know how many you get right.

Enjoy your weekend!
