Welcome Comment

Good morning Year 2!
I hope you're all well and enjoying this week's tasks!
Remember to use our word of the week when talking to your family. How many times can you use it correctly throughout the day?

Word of the week:

Word: enhance (verb)

Definition: To improve the quality of something.

I will enhance the colour of the paint by adding more white.

Synonym (words with similar meanings): strengthen, boost, build-up

English Task

First, spend 10 minutes reading. You may like to select a book from **Epic!**
<https://www.getepic.com/sign-in> **Class Code: shm6148** or read one of your own books.

Next, imagine that you are a seagull flying over a busy beach.

Can you describe what you can see, hear and smell?

Write at least 6 sentences.

Have a look at the example below.

Highlight/underline the adjectives.

As I soared through the warm air, I smelt strong, vinegary chips and delicious, fresh fish.

Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 10 minutes.

Next, test out your mental maths skills by having a go at this game:

<https://www.topmarks.co.uk/maths-games/subtraction-grids>

You can choose 1 or 2 numbers from the grid to complete the subtraction calculations. See if you can improve your score each time!

Foundation Subject Task

Today's computing focus is: Logic – Predicting and analysing (saved in Year 2 Home Learning Resources).

Select one of the mini missions to complete. Make sure that you are using the terms 'logic/logical' as you carry out the task. Remember to take photographs and email them to me.

Mini Missions
to build computational thinking skills

Any Further Guidance

Keep practising your chosen spellings from Monday's English session.

Remember that you have until Monday 6th July, 9am, to submit your photography competition entries for a chance to win vouchers!
