For today's task we'd like you to listen to the story by following the above link and then draw a picture of Lucy and Tom at the seaside.

Maths Task This week in our Maths we are going to be using money and counting with coins.

For today's task we would like you to add up the pennies for Lucy and Tom's ice creams.

Count the number of pennies and then write the amount next to each ice cream, e.g. 5p.

How Much Do the Ice Creams Cost?
How much does each ice cream cost? Look at the coins and write the total amount in the circle.

Foundation Subject Task

Foundation Subject Task

Mrs Fassnidge has set a family Thrive challenge for you today. The challenge combines the outdoors with Art. Your task is to go on a nature colour hunt. The world around us is awash with colour. Nature uses colour to make sunsets more breathtaking, flowers more exquisite and wildlife more captivating. Your nature colour hunt can be completed anywhere safe that is outdoors – in the garden, in a park, along a nature trail. Take time to notice the colours around you. Look closely at the different shades of colour – you could try to learn some new colour names. Collect leaves, petals etc and use them to create a nature display. This could be a nature colour wheel, a wall hanging, a sculpture or for more information and inspirational ideas **visit the whole school resources page – 'Thrive and Wellbeing.'** (There are some simple, effective examples for you to try out!) Be creative and enjoy!
