### Welcome Comment

Good morning Year 5!  
I hope that you have had a good weekend and are managing to stay healthy and safe. I hope you're ready to work hard this week and give all tasks your best shot! 😊

### English Task

To start today, please read chapters 37 – 39. After reading have a go at answering the following questions. All of our questions today have a vocabulary focus. Remember to use your text for evidence and record your answers in full sentences.

- 1.) What is altitude?
- 2.) What are increments?
- 3.) What is meant by despair?
- 4.) What is a gully?
- 5.) Find a phrase on Page 174 that shows you that Zero is unwell.
- 6.) What is a precipice?

### Maths Task

This morning we will be playing a dice game so you will need to find your die! Have a look at the Dice Colouring game. You will need to get creative with the number sentences you create in order to make as many numbers with what you roll! (The instructions are explained further on the resource!) On the instructions it does say you need three dice – you don't – just roll your die three times! If you want to, you could turn this into a two player game and see who can colour the most squares!

### Foundation Subject Task

Mrs Fassnidge has set a family Thrive challenge for you today. The challenge combines the outdoors with Art. Your task is to go on a nature colour hunt. The world around us is awash with colour. Nature uses colour to make sunsets more breathtaking, flowers more exquisite and wildlife more captivating. Your nature colour hunt can be completed anywhere safe that is outdoors – in the garden, in a park, along a nature trail. Take time to notice the colours around you. Look closely at the different shades of colour – you could try to learn some new colour names. Collect leaves, petals etc and use them to create a nature display. This could be a nature colour wheel, a wall hanging, a sculpture or for more information and inspirational ideas **visit the whole school resources page – 'Thrive and Wellbeing.'** (There are some simple, effective examples for you to try out!) Be creative and enjoy!

### Any Further Guidance

I hope that you have had a good day and have enjoyed the tasks set, I'll be back in touch with more tomorrow!

Take care, Miss McGowan 😊
