Welcome Comment

Good morning Year Six and welcome to Tuesday. Just so you are aware, I have now spoken in detail with every secondary school, so they know all about you and are really looking forward to you starting at their schools. All secondary schools are working hard on transition for you, and more details will follow shortly through the post. Below are today's challenges for you to enjoy. As usual, please keep in touch via the year six email. Good luck!

English/Transition Task

To begin with, I would like you to read for pleasure for fifteen minutes. Remember this doesn't have to be a book, it can be a newspaper, magazine or even a cook book.

Here is today's countdown conundrum:

I E S E L J W E R

Mrs Sprawson has created some images that will remind you of big events that have occurred during the last 12 weeks and I have attached them. We would like you to use these as a prompt to reflect on and write about your personal feelings you had when these events happened. Examples of what the pictures represent are: when we clapped for cars and hospital workers at 8pm every Thursday, when the Prime minister actually had Corona Virus and was in intensive care etc. Think deeply and write with real emotion. I look forward to reading them.

Maths Task

Today's Maths challenge is below, can you solve it and get the correct answer into the Year Six email in the fastest time:

Fifteen coins make a pound.

How many different combinations of 15 coins can you find that will make exactly £1?

Coins may be used more than once.

TRY: starting with two fifty pence pieces and cascading [changing them] coins until you reach £1 with 15 coins.

THINK: Once you have found one combination change coins to find others.

Foundation Task

Today I am setting you some time aside to think positively about yourself and to relax. We have all been through such a rollercoaster ride of emotions lately, some of which you would have written about in your journal entries. I now want you to visit

https://www.youtube.com/watch?v=9_vEZTrmtyA

https://www.youtube.com/results?sp=mAEB&search_query=peace+out+guided+meditation+for+kids

and try some relaxation and positive thinking techniques. Let me know how you get on.

Any Further Guidance

Another day of challenges Year Six, let me know how you get on and take care.

Mr Salisbury.
