Welcome Comment

Good morning Language Class. Here are your activities for today.

Don't forget to keep in touch and email me photos or videos of your activities. I love to see them. If you have any problems or questions please email me on the MLU address and I will respond to you as soon as I can.

English Task Please practise your phonics daily with Read Write Inc reading and spelling sessions on You Tube. You should be practising your set 3 sounds. https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ . Please try reading for 10-20 minutes each day and learning the next 5 spellings on your list.

We are thinking about spelling, punctuation and grammar this week using 'Shark in the Dark'. Thinking about the verbs you listed yesterday, I would like you to add the 'ing' suffix to 10 of your verbs or you could use my choice of verbs: jump, hide, drink, eat, catch, kick, smile, run, dance and shout e.g. jump + ing = jumping. Which root words need the 'e' removing first? Can you use these new verbs in a sentence? Practise the words throughout the week, in any way you wish. You could try roll and spell or write them in chalk outside.

Maths Task

Everyone start by playing <https://www.topmarks.co.uk/maths-games/hit-the-button>. Choose 'Doubles' then YR/Y1's choose 'Doubles to 10' and Y2's choose 'Doubles from 5 to 15'.

You will need a ruler again today as we continue to learn about measuring length. Watch <https://www.youtube.com/watch?v=tuBLuIW1U70>) then complete the 'Balloons and Kites' worksheets attached. You need to measure and read the lengths of the balloon strings then measure and draw the lengths of the kite tails. Measure carefully and do not rush!

Foundation Subject Task

Our story 'Shark in the Dark' is set at night-time. Today I would like you to do some Science and think about 'Light and Dark'. Make a list (written or drawn) of light sources (these are things that give out their own light) e.g. candle/ sun etc.

Then watch <https://www.youtube.com/watch?v=d65mdTJaJI> to see how many of these you remembered on your list. (Be careful! The moon does not give out its own light though but rather **reflects** light!)

Any Further Guidance

Why don't you try the Virtual Sports Challenge this week - the Agility Running Challenge. Check out our website for details! Keep on practising your speech games from Miss Chatterton and let me know how you are getting on. Well Done!

Mrs Harris.
