Good morning Language Class. Here are your activities for today. Have a lovely weekend.

Don't forget to keep in touch and email me photos or videos of your activities. I love to see them. If you have any problems or questions please email me on the MLU address and I will respond to you as soon as I can.

English Task Please practise your phonics daily with Read Write Inc reading and spelling sessions on You Tube. You should be practising your set 3 sounds.
https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIg9GdxtQ . Please try reading for 10-20 minutes each day.

Can you do a spelling test today please? Ask a grown up to test you with 10 words from your spelling list. Then Y1's and Y2's I would like you to use any words from your spelling test that you spelt incorrectly and then the next words on your list to write at least 5 sentences today. Use one spelling word per sentence. Can you make these sentences interesting and using a 'joining word' e.g. 'and', 'but', 'because' etc. You could try using words that may include a doing word (verb) or need an apostrophe for possession e.g.

1. Oliver's cat is purring very loudly because it loves having fish for tea!

Maths Task Y2's/4's please ask a grown up to give you a timetable test. YR's and Y1's please ask a grown up to give you a number writing test. Can you write any one-digit, two-digit (0-20/ 0-50/0-99) and even three-digit number?

YR/Y1s I would like you to think about 'height' today. Compare the height of all the people in your home. Can you estimate who is the tallest and who is the shortest? Make sure you get them to stand back to back to check their height. Order all the members of your family from shortest to tallest and either take a photo or draw them. Check you estimated correctly by measuring them using handspans.

Y2's you can also complete the activity above but then please have try to complete the worksheet 'Four Operations with Lengths'.
