

Welcome Comment

Good Morning Year 4! Happy Friday! Another week has flown past us. Well done for working super hard. Take time today to record something you are proud of and celebrate your achievements. You're doing great!

Today's active task: [Shake it off](#) Year 4! 😊

English Task

A bit of poetry on a Friday Year 4! Today, I would like you to explore the device 'onomatopoeia'. Onomatopoeia is when a word sounds like the noise it is describing e.g. crash, buzz. Head over [here](#) and read the information then watch the videos.

Once you have done this, complete the activities and have fun experimenting with sounds!

Thought for the day...

"All you really need is love,
but a little chocolate
now and then doesn't hurt."

Charlie Brown

Maths Task

Today you have the choice of which activity to do. You can either go on Prodigy Maths, Sumdog, Rockstars, Education City or all of them! I would like you to spend at least 30 minutes doing Maths today as it is so important to keep our knowledge ticking over. Have fun!

Foundation Subject Task

Now you have researched some facts about the artist: **Andy** Goldsworthy, you know that he likes to use natural materials in his art. Today I'd like you to make a piece of art using natural materials such as: leaves, stones, pine cones petals, sticks or twigs. You can do this outside too. Here are some examples to help - don't forget I'd looking forward to seeing your results. Have fun doing it 😊

Any Further Guidance

Well done on another great week of learning Year 4. I am so proud of you all and how well you are doing. Send over your art so I can send it over to Mrs Sprawson who is looking forward to seeing it.

Have a super weekend and stay safe.

Much love,

Miss D 😊
