5

Date

26.06.20

### Welcome Comment

Year 5 it's Friday! Which means it's almost the weekend – just today's challenges to do first! I hope you are still finding some wonderful ways to stay active.

Have a great day, Miss McGowan 😊

### English Task

Today we are continuing our focus on chapters 37 – 39. If you need to remind yourself of the chapters, then please do. The questions today are all retrieval questions, so you must use the text to find your answers and record them using full sentences in your yellow book.

- 1.) Why doesn't Stanley want to rest?
- 2.) Why does Stanley find it hard to see where he's going?
- 3.) Why does Stanley carry Zero?
- 4.) What food does Stanley find by the water?
- 5.) What does Zero admit to Stanley?

### Maths Task

This week you have had a go at playing two dice games. I am challenging you today to create your own maths dice game. Think carefully about the skill that you would like to practise (addition, subtraction, multiplication, etc) and then think about how you will use the die to help you practise this. Will you create a one or two player game? How do you win? What are your rules? What equipment do you need? I look forward to hearing about the games you come up with! 😊

### Foundation Subject Task

This afternoon your foundation task is actually another maths task! But hopefully it should be fun and is 'Holes' themed! It's a little bit like playing Battleships if you have ever played that game. The resources are available on our school website in our Year 5 area. (Although I would make myself a bigger grid on some squared paper to make the game a little harder.)

The idea is that you need to find some of Kissin' Kate Barlow's treasure without stepping on a Yellow Spotted Lizard! All of the instructions are explained in the resource. Enjoy and have fun!

### Any Further Guidance

Well done for another week of fabulous work. Have a great weekend and I will be back in touch on Monday.

Take care and stay safe,  
Miss McGowan 😊
