

Welcome Comment

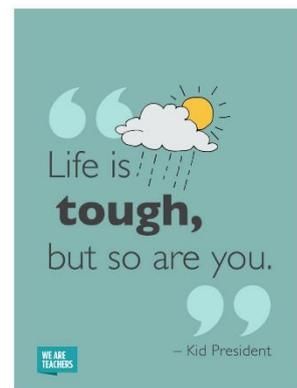

Good Morning Year 4! It's Monday again! Well done to those of you who have been sending me emails and work. Please try to send something at least once a week so I can see what wonderful things you have been up to.

Today's active task: Have a go at [this](#) activity.

English Task

I would like you to continue to explore poetry today Year 4. I would like you to create your own poem based on your experience of lockdown. It's not been the easiest time but we have lived through it and it's a good time to reflect and record our thoughts so we can look back at it in years to come. There are some ideas [here](#) which might give you some starting points and ideas. When you have finished, you might like to decorate it and if you want to share, I would love to read it.

Thought for the day...

Maths Task

After hearing how much you enjoyed playing the new Maths game, I would like you to have another go at it today. Head over to <https://www.prodigygame.com/>. If you haven't already signed up, you will need to do this first. Click 'sign up', enter your details and a password (make sure you keep it safe!) Once you have done this, enter the class code D70201 and you're in! Enjoy and let me know your thoughts!

Foundation Subject Task

Today, I would like you to take part in the final photography competition: Capture a Moment. There are prizes by age group for winning entries, and the winning entries will also be published in our Central RSA Academies Trust magazine, DesignEd, in a special 'lockdown' edition. A photograph allows you to instantly capture a moment in time. Over the week, try to capture a poignant moment in time. This could involve: a celebration, a reflection of lockdown, an activity you undertake, how you feel or a funny moment. Email your entry to Mrs Fassnidge: Year2@suttonpark.worcs.sch.uk. Mrs Fassnidge will decide on an overall winner from Early Years/KS1 and an overall winner from KS2. These pupils will receive a £10 voucher. The entries will then be submitted for a chance to win further prizes. The deadline for the competition is 9am, Monday 6th July. More information can be found on the school website. Be creative – good luck!

Any Further Guidance

I hope you have a great day Year 4 and do some super learning. Don't forget to keep reading and continue to practise your times tables. Make sure you are also taking time out to do something for you. This might be enjoying a hobby, learning a new skill, watching a movie or going for a walk (with your adult's permission!)

Stay safe,
Miss D 😊
