Hi Everyone,
We hope you had a great weekend.
Here are your home learning tasks for today.

Have fun!

English Task

Today we have selected a book for you to read called 'At the Beach' from <https://www.getepic.com/> log on as a student using the code drs1234

If you can not access this then together talk about the things you see at the beach.

Read these sentences and join two sentences with and.

Some beaches have white sand. Some beaches have dark sand.

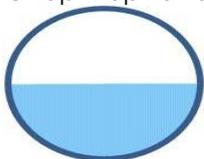

Some beaches are rocky. Some beaches are smooth.

Some beaches have big crabs. Some beaches have small crabs.

**Maths Task**

Today we would like you to think about fractions. With help from a grownup draw and cut out a circle, square, rectangle and triangle fold the shape in half and then draw a line to show half. Colour in half of the shape. You can write next to it half or $\frac{1}{2}$.

As an extra challenge... Are there any other ways you can make half using these shapes? Log on to Education city for games to help you to understand fractions. Try the games; 'Chop it up' and 'Half and Half'.

**Foundation Subject Task**

Today, I would like you to take part in the final RSA photography competition: Capture a Moment. There are prizes by age group for winning entries, and the winning entries will also be published in our Central RSA Academies Trust magazine, DesignEd, in a special 'lockdown' edition. A photograph allows you to instantly capture a moment in time.

Over the week, try to capture a poignant moment in time. This could involve: a celebration, a reflection of lockdown, an activity you undertake, how you feel or a funny moment. Email your entry to Mrs Fassnidge: Year2@suttonpark.worcs.sch.uk.

Mrs Fassnidge will decide on an overall winner from Early Years/KS1 and an overall winner from KS2. These pupils will receive a £10 voucher. The entries will then be submitted for a chance to win further prizes. The deadline for the competition is 9am, Monday 6th July.

More information can be found on the school website.

Be creative – good luck!

Any Further Guidance

We hope you enjoy your tasks today. Please email the Year One address if you need any extra help and support.
