Date

4/6/20

Hi Everyone,

Thank you so much for the emails so far, we love receiving photographs and messages about how you are getting on. We hope you enjoy your tasks today. Have fun!

English Task

Today we would like you to understand why and how we use 'Question marks'. Watch this very short video about 'How to use question marks' from this lesson on BBC the BBC Bitesize website.

<https://www.bbc.co.uk/bitesize/topics/zp7mn39/articles/z68yy9q>

Then complete the short activity directly below, on where question marks are needed.

Alternatively- Add questions where needed on these short phrases:

The Gruffalo lived in the deep, dark woods.

Why was the Gruffalo scared of the Mouse.

Do you know what Owl ice cream tastes like.

What did the Mouse do to trick the Gruffalo.

Maths Task

Today we are going to practise counting forward in 2s. (Remember to use your number line to help you). You will need your whiteboard and whiteboard pen.

1. Choose a number between 1-10.
2. Write that number on your whiteboard, e.g. 3.
3. Next count on two numbers and write the second number, e.g. 3, 5.
4. Repeat this process for the next five numbers e.g. 3, 5, __, __, __, __, __.
5. Remember to count in 2s each time, so you will only write every other number.

Challenge: Could you repeat this method starting with a different number between 1-10?

Foundation Subject Task

Today we'd like to finish building your Minibeast hotel. Do you remember the one we've built in Forest School? Have you included lots of little hiding spaces for the minibeasts? Please share a photo of your hotel via email, we'd love to see how hard you've been working.

Any Further Guidance

Please continue to email us if you need any extra help and support with the home learning tasks. Also, don't forget to try Mrs Digger's Geography challenge, if you go for a walk, could you draw a map of where you go?

Mrs Oakley and Mrs Digger 😊
