Hi Everyone,
 We hope you enjoyed your family **Geography challenge yesterday**. Please send us an **email to say how you got on as we would love to see a picture of your maps**. Don't forget to check out the 'Hit the target' sports challenge on the whole school resources page too! Here are your tasks for today.

English Task

Today we would like you to have a look at **plurals**.
Plurals are used to indicate when there is more than one person, place, animal, or thing.
E.g. cats
 Try out this game; <https://www.roythezebra.com/reading-games/singular-or-plural-1.html> (click on skip advertising at the top of the page first).
 Alternatively, you can write the plural of each of these words; cat, dog, girl, boy, toy, car, boat, book. Can you think of anymore? For an extra challenge, Write each word in a sentence. E.g. I saw two black cats.
 (Don't forget you can keep practising your phonics. Search Ruth Misikin on YouTube) https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ

Maths Task

Thinking about 3D shapes again can you talk about what is the same and what is different about each shape. If you can use the words faces. E.g. A cube and cuboid have square faces.
 A cylinder can roll but a pyramid cannot because...

Foundation Subject Task

Today we would like you to think about the properties of different materials. In your garden/ on a walk or around your house, can you find an object that is; **smooth, rough, round, yellow, soft, comes from a plant, manmade**? If you can, print a copy of the sheet attached to the planning to help you. If not draw a picture and label what you have found.

My Five Senses Scavenger Hunt

Something smooth 	Something rough 	Something that makes a noise
Something round 	Something yellow 	Something that came from a plant
Something that has a smell 	Something long 	Something man-made
Something soft 	Something you can eat 	Something red

Any Further Guidance

We hope you enjoy your tasks today. Don't forget to keep reading when ever you can.

Keep safe.
 Mrs Oakley and Mrs Digger 😊
