

### Welcome Comment

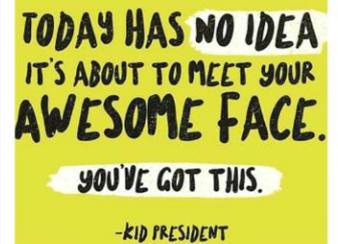

Good Morning Year 4! I hope you are all staying safe and being kind to one another. Lots of learning to be done today. Have a super day! 😊

Today's active task: Have a go at [this](#).

### English Task

Head over [here](#). Look at the photo 'Enoki Tales'. There are some questions underneath it for you to answer. I would then like you to have a go at the challenge of creating a story which would go into the book that the character is reading. What kind of story would it be? Would it be about famous mushrooms? Or an adventure tale? Use your imagination! Send them to me when you've finished. Can't wait to read them!

### Thought for the day...

TODAY HAS NO IDEA  
IT'S ABOUT TO MEET YOUR  
AWESOME FACE.  
YOU'VE GOT THIS.  
-KID PRESIDENT

### Maths Task

Today, have a go at some mental maths. I have sent over the sheet or you can find it on the website. Perhaps you would like to time yourself to see how long it takes to complete. If you don't have the sheet available, use paper! Once you have done this, spend 10-15 minutes on either Rockstars or Prodigy.

### Foundation Subject Task

Bit of Philosophy today. Have a watch of this [video](#). You may already know the story! (It's a firm favourite in my house!) I would like you to concentrate on the cat. What do you think about his actions throughout the story? Is he right in how he behaves and acts towards the others? Why do you think he is reluctant to let others join them? Does his thinking change towards the end of the story? Why? Is there any moral to the story?

### Any Further Guidance

Even though there's no yoga or mindfulness activities planned today, feel free to use Cosmic Kids yoga on YouTube.

Keep working hard and trying your best. We're nearly there!

Stay safe,

Miss D 😊
