

Welcome Comment

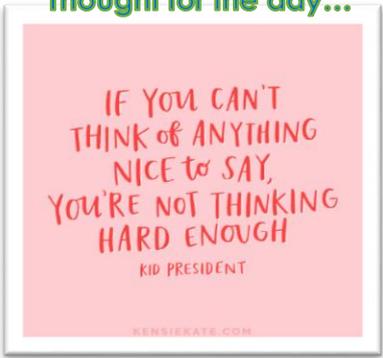

Good Morning Year 4! Monday is here again. I hope you all had a great weekend and managed to find some time to do lots of things you enjoy. I hope you are all remembering to keep using [Oxford Owl](#), [Sumdog](#), [Rockstars](#), [Education City](#) and Get Epic – you can access these as much as you like!

Today's active task: [Let's get our bodies and brains ready](#) for a day of learning!

English Task

Today, I would like you to head over [here](#). Have a look at the photo titled, 'Then the rain came...' Scroll down to 'Question Time' and have a go at answering the questions. Once you have done that, have a go at the 'Sentence Challenge' and 'Sick Sentences' section. There is a story starter available too. What do you think happened to Jack linked to the photo?

Thought for the day...

IF YOU CAN'T
THINK OF ANYTHING
NICE TO SAY,
YOU'RE NOT THINKING
HARD ENOUGH
KID PRESIDENT

Maths Task

Head over to [Prodigy Maths](#) today and spend at least 30 minutes playing the game. Lots of you have been telling me how brilliant it is, which is great to hear!

I would also like you to spend at least 15 minutes on [Times Table Rockstars](#). You can choose any area you like to begin with, but I would like you to complete a few games in 'Sound Check' to make sure you're keeping that speed up! It's so important to be able to recall your tables quickly as it will help you with a number of different topics in Maths.

Foundation Subject Task

Today, Mr Salisbury would like you to take part in a special Science challenge: Design the best paper aeroplane. I would like you and your family to work on designing and creating the best paper aeroplane possible. Think about wing length, nose design and what you could add to your paper aeroplane so that it is air resistant and flies the furthest possible. When you have created your aeroplane, take a picture or video it in action and email your entry to Mr Salisbury at: Year6@suttonpark.worcs.sch.uk Check out: <https://www.scarcroft.york.sch.uk/paper-aeroplane-challenge/> for some great ideas and templates you could use, and of course more information can be found on the school website. Go and create your flying machines!

Any Further Guidance

I've not been hearing from many of you recently which is a bit of a shame because I love seeing your work and hearing what you've been up to. Please email me on the class email address: year4@suttonpark.worcs.sch.uk. You don't have to do this every day, but at least once a week would be fantastic. I look forward to hearing from you!

Stay safe,

Miss D 😊
