Mr Salisbury

Class

Six

Date

08/07/20

### Welcome Comment

Good morning Year Six. I hope you and all your families are all keeping well and staying safe. Below are today's tasks for you to have a go at. Give it your best, and as usual, if you have any problems please contact me on the year six email at [year6@suttonpark.worcs.sch.uk](mailto:year6@suttonpark.worcs.sch.uk)

Have a great day!

### English Task

As always, I would like you to begin by reading for fifteen minutes of a book of your choice.

Here's today's conundrum. Remember to make as many words as you can as well as to try and work out the nine-letter word of the day!

T D S P U R P O E

Today I would like you to continue to produce a fact file in your journals of someone famous who inspires you. Using your notes that you made from yesterday, create a really detailed piece of work about your idol. Through your writing, I also want to know exactly why you rate this person so highly, what have they done that makes them special to you. Then, please send me photos of your work to the year 6 email. I can't wait to see who your idols are!

### Maths Task

To begin with, let's head to hit the button today to wake our brains up.

<https://www.topmarks.co.uk/mathsgames/hit-the-button>

I would like you to work on your division facts this morning.

Next, have a go at this problem:

Three digits

Imagine you have 25 beads. You have to make a three-digit number on an abacus.

**You must use all 25 beads for each number you make.**

Hundreds      Tens      Units

**How many different three-digit numbers can you make?**  
 Write them in order.

### Foundation Task

Today I want you to think back to your Young Enterprise Challenge. You should by now have a good idea as to what product you would make that would make a difference to people's lives whilst living through the current pandemic. I would like you to complete the following tasks:

1. A product description that tells me what your product/service is, what it does, what makes it special etc... in no more than 200 words.
2. A drawing/design of your product.
3. A list of five slogans that you considered and the one that you decided on.

### Any Further Guidance

I hope you enjoy today's activities. Don't forget to send photos of your work to the year 6 email. The paper aeroplane challenge is really taking off too! Make sure to get your entries in by the end of the week. Stay safe and I'll be back tomorrow. Mr Salisbury.
