

Welcome Comment

Good morning everyone! I hope you are all well! Here is the link for today's phonics session, if you would like to have a go [Read Write Inc. Phonics Session](#)

If you would like to explore some new books to read [Oxford Owl](#) have some lovely books for you to look at. We would love to hear what you have been reading at home, so please let us know in the lovely e-mails we get from you so we can celebrate your amazing learning!

English Task

For today's activity we would like you to have a go at some seaside writing. Look at the pictures and talk about what you can see. Write a sentence about each of the seaside pictures. There are some words to help you at the top. Remember to use 'Fred-talk' to help you order the sounds and use finger spaces in between words.

Maths Task

Today we are going to do some counting! There is a counting game on Education City called [Deep Discoveries](#). Can you place the numbers in order? You can choose whether you count on or backwards! Have fun!

Foundation Subject Task

Have a look around your home and find 2 things that you think will float and 2 things that you think will sink in a bowl of water. Ask a grown up to help you test if you are right. We can't wait to hear what you find out!

Any Further Guidance

We hope you have enjoyed today's activities. Have you had a go at the Family Challenge this week? You need to design, make and fly a paper aeroplane! I wonder what yours will look like; can you tell us how far it flew?

From Mrs O'Connell and Mrs Digger
