

Teacher	Mrs Cornforth	Class	3	Date	09/7/20
----------------	----------------------	--------------	----------	-------------	----------------

Morning Year 3 you are doing a fantastic job with this week's tasks. I can tell that you are enjoying them. Start your day the right way with a [5 minute workout](#). Remember you can choose any form of exercise as long as you are being active. Email us some pictures of the different ways you are keeping active at year3@suttonpark.worcs.sch.uk

English Task

Perfect picture!

Using the picture, you drew yesterday I would like you to describe what your imaginary city! Use a range of adjectives and prepositions to make your sentences as interesting as possible. Remember the basic punctuation of capital letters and full stops. You could describe using your senses. What can you see, hear, smell, touch?

5 Senses

Maths Task

Place these five coins in a row following these instructions:
 The total of the first three coins is 31p
 The total of the last three coins is £1.12p
 The last coin is double the value of the first coin.
 Now make up some more instructions with these 5 coins and then with a different set of 5

Foundation Subject Task

Reflect: Think about what would improve your local area? What is your local area lacking? What spoils your local area? What could be done?

Maybe you could write to the council about your ideas and see if they would implement some of them.

Any further guidance

As you have had your journals for a while now we would love to see some of the beautiful and creative ways that you have been using them. You could write or draw how you are feeling, make notes about what's going on in the wider world, set goals and discuss your aspirations. Send us some pictures that you are happy to share to year3@suttonpark.worc.sch.uk
