**Welcome Comment**

Good morning Year Six and welcome to Thursday's learning. Just a quick reminder, if you haven't already created and sent me a picture or video of your paper aeroplane for our weekly challenge then it's not too late, I would love to see your flying machines. Get your entries in to [year6@suttonpark.worcs.sch.uk](mailto:year6@suttonpark.worcs.sch.uk) Below are today's activities, show me what you have got!

**English Task**

As always, I would like you to begin by reading for fifteen minutes of a book of your choice. Don't forget <https://www.bbc.co.uk/newsround> can provide you with some excellent online reading about the latest news. Here is today's conundrum. Remember to make as many words as you can as well as to try and work out the nine-letter word of the day! **RECSITEUN**

There is no denying that the past few months have been rather strange and possibly challenging at times. Today, in your journals, I would love for you to have a go at creating your own poetry based on this very unique experience. I have put some rhyming words to help you below. You could do an acrostic, a haiku or any type of poetry you like. Once you have written them, think about how you could decorate them. If you want to share your poems, then I would love to see them.

**Isolation/imagination**

confined/mind trap/map alone/phone  
 segregation/education private/climb it  
 retreat/street quarantine/teen

**family/happily**

games/names/brains TV/easy home/zone  
 dinner/winner walk/talk  
 together/treasure brother/cover  
 sister/twister/blister draw/more. read/need  
 sleep/sheep

**Maths Task**

To begin with, lets head to hit the button today to wake our brains up.  
<https://www.topmarks.co.uk/maths-games/hit-the-button>

I would like you to work on your times tables this morning, answer as fast as you can in a minute and have five attempts.

Now head to <https://plprimarystars.com/for-families/play-game> where I would like you to take part in the Maths game. Use your arithmetic skills to work your way through the levels to become a superstar.

**Foundation Task**

Today I want you to create an advert for your new product you have designed as part of your Young Enterprise Challenge.

For this you have a choice. Firstly, you could create a paper advert that has the name of your product, your slogan and why people should purchase it or.....

You could produce a T.V advert, which may include a song/drama about how effective your product is. I can't wait to see them.

**Any Further Guidance**

Have a great day Year Six, I'll see you tomorrow for our last set of activities of the week. Stay safe.  
 Mr Salisbury.
